boon [boon]

noun - something to be thankful for; blessing benefit.

boon means 'bean' in dutch & afrikaans, & for us, it also signifies the sprouting of a new & fresh take on fast food.

WHAT'S IN OUR PATTIES?

grilled boon patty: packed with fresh cremini mushrooms, brown rice, onion, garlic, lemon juice, organic tofu and oats, perfectly seasoned with basil, oregano, salt and coarse black pepper. This is a perfect patty, on a burger or on a salad!

grilled buddha patty: organic chickpeas, brown rice, perfectly spiced with curry, onion, fresh ginger, garlic, fresh cilantro, and lemon juice. This is a favorite for people with soy/ wheat sensitivities.

grilled white patty: organic tofu, brown rice, oats, onion and garlic, seasoned with red star nutritional yeast, spices and lemon juice. This patty is lightly crusted in potato crumbs.

NEW **grilled black bean patty:** black beans, red beans, lentils, brown rice, onion, garlic, perfectly seasoned with chili, cumin, tomatoes and fresh cilantro. This is a favorite for people with soy/wheat sensitivities.
